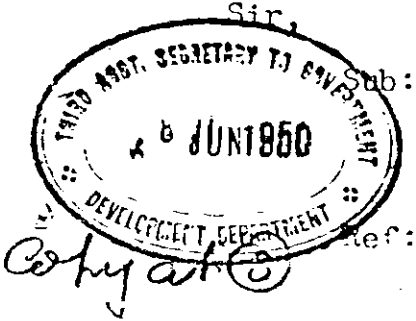
Sir,



Sub: Land Development - Malnad areas in South Kanara - constitution of Forest Grievancies Enquiry Committee - Inclusion of cooperative officer as one of the members - Suggested.

Ref: G.O.Ms.No.1420 Development dated 10-4-1950.

***

In the G.O. cited, Government have ordered the constitution of a committee consisting of five officials, and three non-official members to investigate the problems relating to the Malnad area in South Kanara and to suggest measures required to solve them. Under the terms of reference to this committee, it is indicated that it may examine whether private capital can be attracted for exploitation of the area through a Land Development Corporation or a Cooperative agency. It is therefore possible that the committee may consider the question of the possibilities of cooperative organisation for the area, and the presence of the Deputy Registrar in the committee may be useful. Government have, however, not included the Deputy Registrar of Cooperative Societies in the committee. In the circumstances explained, I request Government to consider if the Deputy Registrar of Cooperative Societies, Mangalore,

The R.C.S. in his letter at pp.1-2 c.f. states ~~that it is possible~~ that the Committee may consider the question of the possibilities of Co-operative Organisation for the area and that the presence of the Deputy Registrar, Mangalore on the Committee may be useful. As the Deputy Registrar, Mangalore is not a member of the Committee, the R.C.S. requests the Govt. to consider if the Deputy Registrar may not be nominated as a member of the "Forest Grievances Enquiry Committee, South Kanara". In this connection it may be stated that the Col of South Kanara has reported that the Committee would complete its tour by 4-6-1950 and enquiry by 15-6-1950. The services of the Deputy Registrar of Co-operative Societies, Mangalore if appointed to the Committee now will be useful in drafting the report to Govt.
